

City of Waldport offers bill paying conveniences.

Direct deposit is a free service that will save you time and money.

Your water/sewer bill may be paid automatically through your bank checking account. Any utility customer can apply.

The City is also able to take your debit/credit card payment for utilities and other fees at City Hall. (Note that there is no transaction fee for in-office payments.)

Or use the [City Hall drop box](#) in the front parking turn around. No postage is required. Please include your account number or service address with the payment.

Direct Deposit

With direct deposit, you maintain control of your payments. You will still receive a regular water/wastewater bill. “Direct deposit Do not pay” will be noted at the top of your bill. You will still have time to review your bill, and call us with any questions before your payment is due. **On the payment due date, the 15th–17th of each month, your payment will be made from your designated bank account.**

If you decide direct deposit is not for you, simply cancel service by writing City of Waldport a note.

To sign up today, complete the authorization form to the right of this page.

On Line Payment

You can now pay your water/wastewater bill on line using a credit or debit card.

The fee for the on line service will depend on the payment amount and will be stated before payment is authorized. Once the payment is authorized, the City is notified and you instantly receive a receipt of payment via email.

Should you have wish to make an on line payment, go to www.waldport.org and follow the links to set up your on line account or to make a one-time payment without setting up an account.
